Swap Instructions

1 - Download Uniswap App

[Click to download](#)

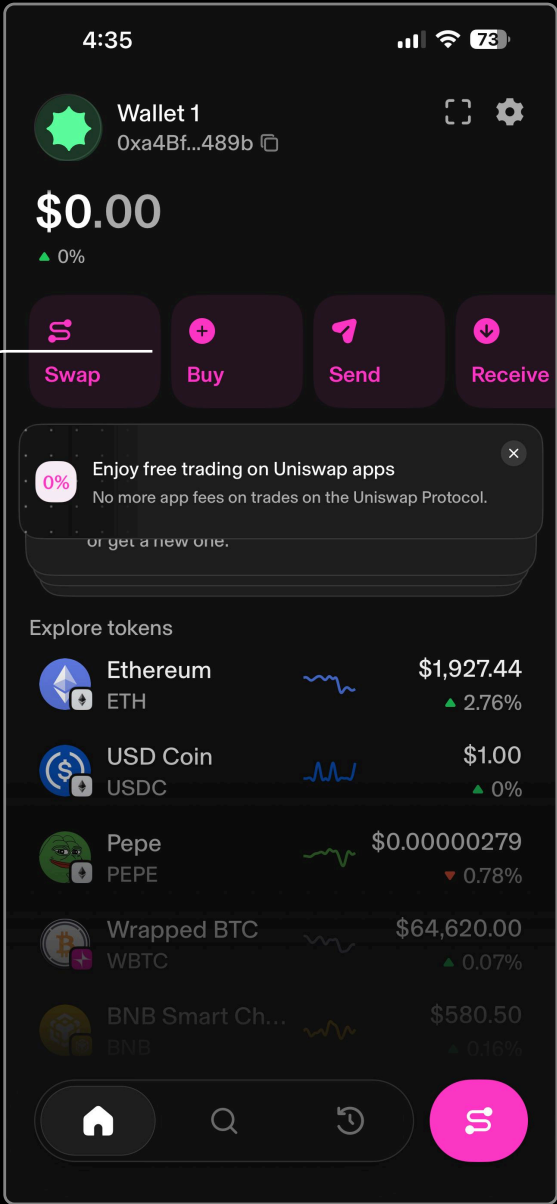

2 - Go through setup

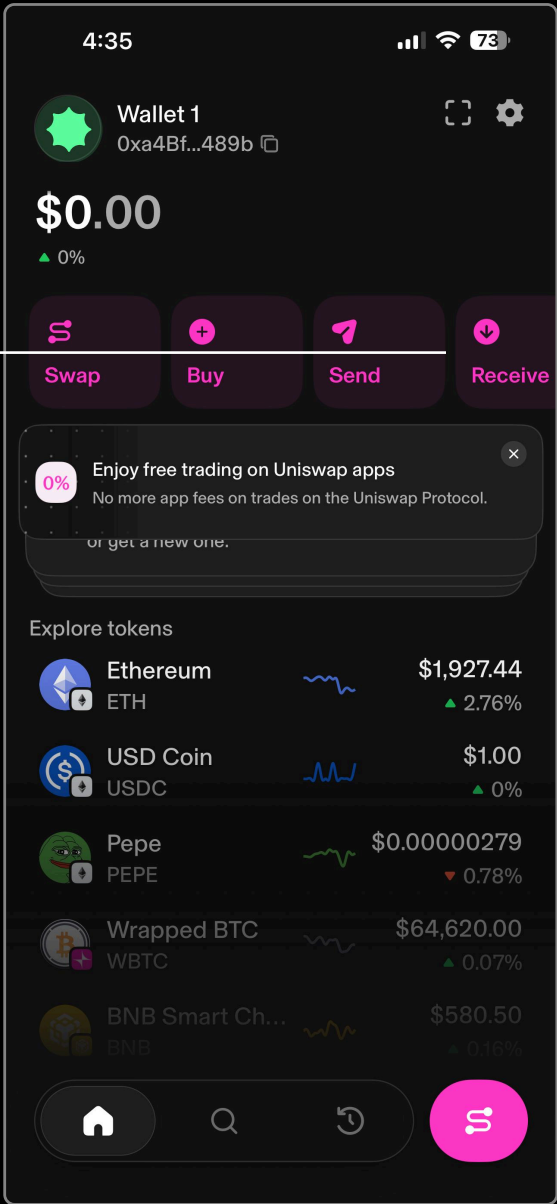

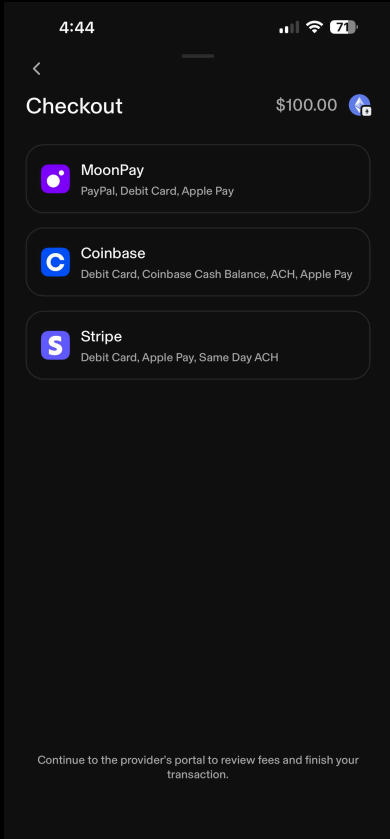

Click create an account, then move through rest of onboarding. Much of it can be skipped.

3 - Fund wallet

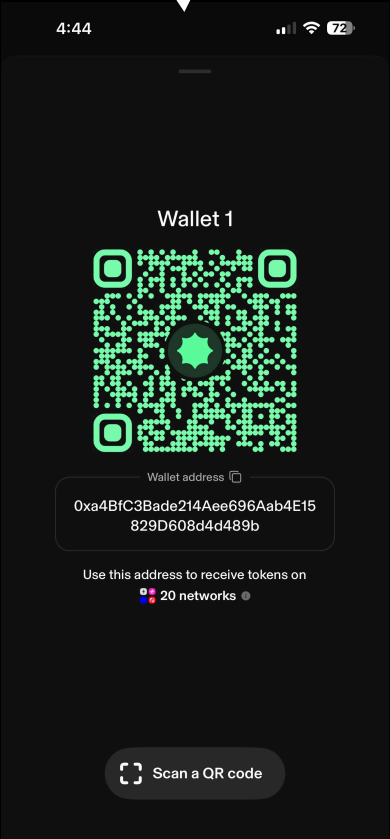

If you already own Ethereum, you can deposit it to your wallet on the Uniswap App. If you need Ethereum, you can choose to “buy” here.

If you need to buy ETH, click Buy here and use your preferred method: Coinbase, Stripe or Moonpay.

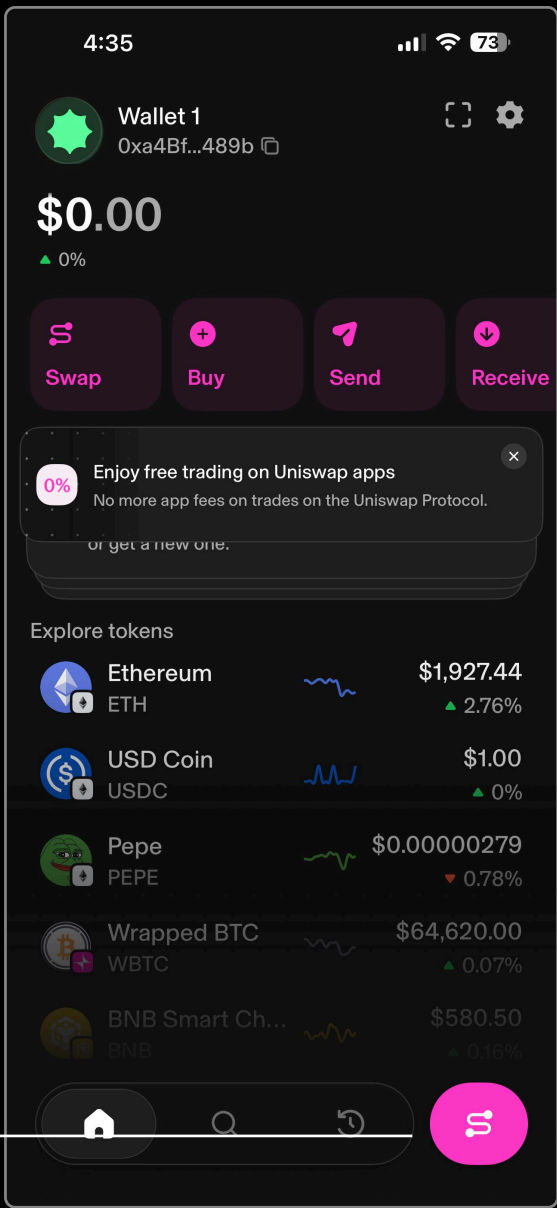

If you already own ETH, click Receive here. Send to your Uniswap Ethereum wallet address.

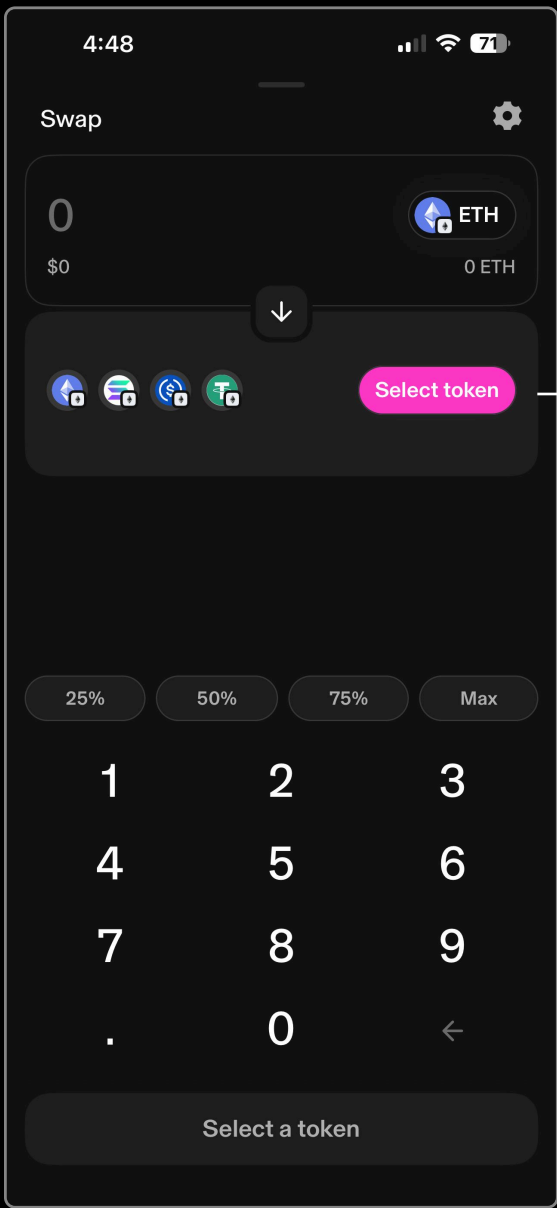

4 - Swap to WEN

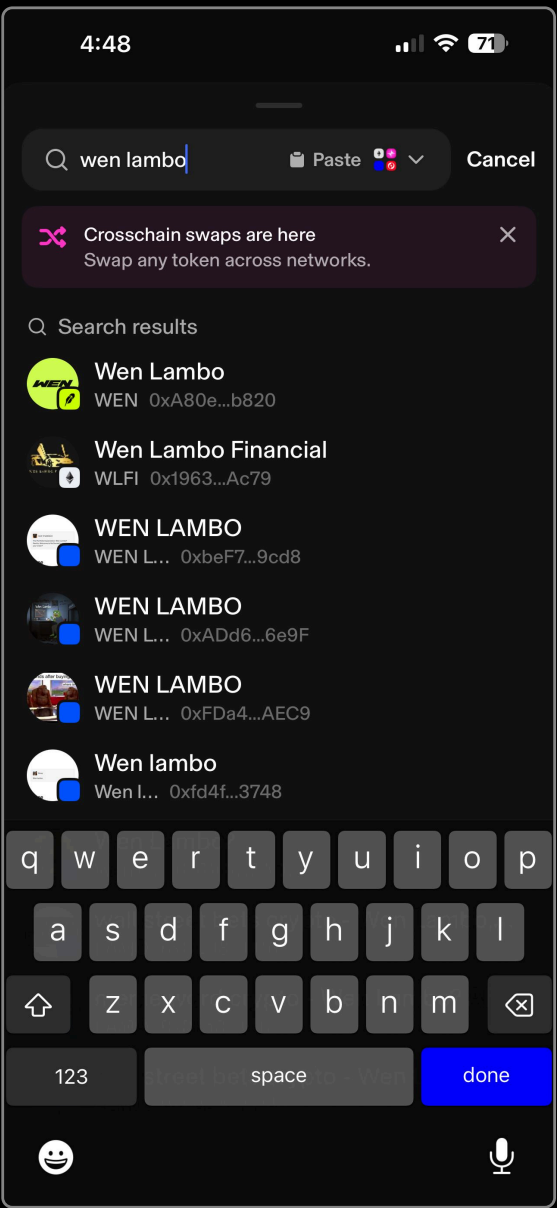

Once your wallet is funded with ETH, proceed to the next steps here.

Click the Swap button

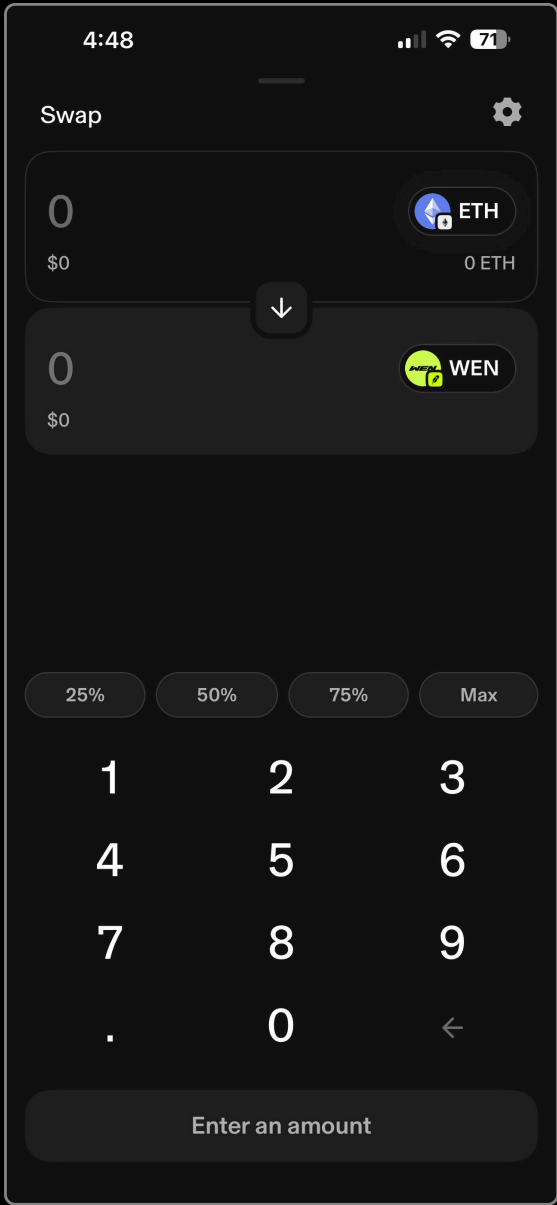

Click “Select Token” and search “Wen Lambo”

Ensure contact address is:
